## Subject Index

In general, subject headings are based on the National Library of Medicine's Medical Subject Headings (MeSH) used in *Index Medicus*. Some additional headings are used for greater specificity in the psychiatric field.

### Accreditation, standards

Developing practice parameters: an interview with John McIntyre, Oct 1103-1105

The staff psychiatrist and the Joint Commission survey, Apr 412-415

### Achievement Awards

Applications invited for '91 H&CP awards, Oct 1131

Comprehensive mental health services for elderly citizens—Positive Aging Services, Massachusetts Mental Health Center, Boston, Oct 1125-1127

Gold Award: A multifaceted program for preventing and treating eating disorders—Programme for Eating Disorders, Department of Psychiatry, the Toronto Hospital, University of Toronto, Oct 1120-1123

Gold Award: A public-private alliance to meet the needs of chronic mentally ill patients—Extended Care Program, West Central Human Service Center, North Dakota Department of Human Services, Bismarck, Oct 1116-1119

A mental health program for juvenile offenders in state training schools—Hawthorn Center Clinic for Adjudicated Youth, Northville, Michigan, Oct 1127-1128

The 1990 H&CP Achievement Award winners, Oct 1117

Patients helping themselves by helping the homeless—Share Your Bounty, the Friends of the Homeless Project, Bronx Psychiatric Center, Bronx, New York, Oct 1130-1131

Promoting renewed interest in ECT treatment, education, and research—Electroconvulsive Therapy Program, Department of Psychiatry, University of Michigan Medical Center, Ann Arbor, Michigan, Oct 1128-1130

Treating the effects of trauma among Southeast Asian refugees—Indochinese Psychiatry Clinic, Department of Psychiatry, St Elizabeth's Hospital, Boston, Oct 1124-1125

### Acquired immune deficiency syndrome (AIDS)

AIDS risk and prevention for the chronic mentally ill, June 652-657

AIDS risk increases for some, National Research Council finds in ten-year review of epidemic, Aug 937-938

APA opposes reporting names in cases of HIV, Feb 209

HIV infection in state hospitals: case reports and long-term management strategies, Feb 163-166

HIV positivity in inmates (letter), Oct 1143  
 HIV-related risk factors in acute psychiatric inpatients, Apr 449-451  
 HIV seropositivity in inner-city alcoholics (alcohol & drug abuse), Mar 248-249, 254  
 Knowledge about AIDS among women psychiatric outpatients, Mar 326-328  
 Knowledge about AIDS (letter), Nov 1261  
 Mixed factitious disorder presenting as AIDS, May 552-553  
 Self-reported HIV-related risk behaviors in acute psychiatric inpatients: a pilot study, Nov 1253-1255  
 An update on selected organic mental syndromes, Mar 290-300  
 Voluntarily informing others of positive HIV test results: patterns of notification by infected gay men, May 549-551

**Adolescents.** See Child psychiatry, adolescent psychiatry

#### **Affective disorders**

Drug interaction (letter), July 806-807  
 The effect of borderline personality disorder on the hospital course of affective illness, Sept 988-992  
 Electroconvulsive therapy: an update, May 515-521  
 Highlights of the 41st Institute on Hospital and Community Psychiatry, Jan 19-24  
 Premenstrual changes and psychopathology among psychiatric inpatients, Jan 86-88  
 Psychiatric side effects of tricyclic antidepressants, Jan 84-86  
 Treatment of depressed patients in general hospitals with scatter beds, cluster beds, and psychiatric units, Oct 1106-1111  
 Use of benzodiazepines (letter, reply), Mar 334

#### **Aftercare**

Aftercare compliance (letter), Feb 202

**Alcohol abuse, treatment.** Also see Dual diagnosis

Characteristics of psychiatric emergency room patients with alcohol- or drug-induced disorders, Dec 1342-1345

The multi-axial system (DSM-IV in progress), Nov 1181-1182  
The relationship between admission symptoms and hospital assaults, Mar 311-313  
The relevance of childhood sexual abuse to adult psychiatric inpatient care, Feb 154-158. Also see Childhood sexual abuse (letter, reply), July 807-808  
Sexual side effects of antipsychotic medication: evaluation and interventions, Nov 1138-1241  
Team use of the Global Assessment Scale for inpatient planning and evaluation, Apr 416-419

#### Patient care management, planning

Continuity and intensity of case management activity in three CMHCs, Mar 323-326  
Case management for mentally ill veterans (ideas), Apr 478  
Defining case management (letters, reply), Apr 453-454  
Development and validation of a level-of-care instrument for predicting residential placement, Apr 407-412  
Pimozide and tricyclics (letter, reply), Apr 454  
Operation Outreach: intensive case management for severely psychiatrically disabled adults, June 647-649  
Team use of the Global Assessment Scale for inpatient planning and evaluation, Apr 416-419  
The therapist as representative payee, Feb 167-171  
What happens to patients after five years of intensive case management stops? Feb 175-179. Also see Intensive case management (letter, reply), Aug 927-928

#### Patient compliance

A case of noncompliance (letter), Mar 333-334  
Aftercare compliance (letter), Feb 202  
From noncompliance to collaboration in the

treatment of schizophrenia, Nov 1203-1211  
Medication compliance and substance abuse among psychiatric patients, Dec 1345-1348  
Medication management (letter), Jan 96-97. Also see Medication management (letter, reply), Oct 1145-1146  
Psychiatric evaluation of competency in physically ill patients who refuse treatment, Oct 1140-1141  
Referral practices and patients' follow-up, Apr 478  
The use of ultimatums in psychiatric care, Nov 1242-1245

#### Patient discharge

A bridge to the community for extended-care state hospital patients, Feb 180-183  
California discharge data (letter), Sept 1026-1027  
Discharge and retention of psychogeriatric long-stay patients in a state mental hospital, Apr 445-447. Also see Correction, July 808  
Transitional programming (letter), June 680-681

#### Patient labels

Sociological investigations of mental illness: a review, Aug 902-911  
What's in an adjective? Or an acronym? (taking issue), June 601. Also see What's in a name? (letter, reply), Oct 1143-1144

#### Patient reunions

Reunions of former inpatients on a psychiatric unit, Apr 451-453

#### People & Places

Jan 106, March 344, May 576, July 821, Sept 1037, Oct 1154, Dec 1368

#### Personality disorders

The effect of borderline personality disorder on the hospital course of affective illness, Sept 988-992  
The formal treatment contract in the inpatient management of borderline personality disorder, Sept 985-987  
The literature on personality disorders, 1985-88: trends, issues, and controversies, Jan 39-51  
Personality disorder in the elderly, Dec 1325-1329

#### Physical disorders. See Primary health care

#### Police

Diagnostic results of psychiatric evaluations of state police officers, Apr 429-432  
What do police officers really want from the mental health system? June 663-665

#### Politics

APA deplores use of psychiatric history as political weapon, Sept 1035-1036

#### Practice parameters

Developing practice parameters: an interview with John McIntyre, Oct 1103-1105

## Pregnancy

Hospitalized pregnant psychotic women: characteristics and treatment issues, Feb 159-163. Also see Pregnant psychotic women (letter, reply), Nov 1258-1259

Pregnant substance abusers lack care, Oct 1152

Psychotic denial of pregnancy: phenomenology and clinical management, Nov 1233-1237

## Premenstrual syndrome

Premenstrual changes and psychopathology among psychiatric inpatients, Jan 86-88

## Prevention

AIDS risk and prevention for the chronic mentally ill, June 652-657

Inpatient suicide epidemics and suggestions for prevention, Aug 922-924

A multifaceted program for preventing and treating eating disorders, Oct 1120-1123

Recent advances in prevention of psychological disorders (psychology update), July 735-736

## Primary health care

Do-not-resuscitate decisions on a psychiatric unit, Mar 319-321

New federal law aims to end discrimination against mentally, physically disabled persons, Sept 1035

A process for do-not-resuscitate decisions in psychiatric hospitals, Oct 1136-1137

Psychiatric evaluation of competency in physically ill patients who refuse treatment, Oct 1140-1141

Screening CMHC outpatients for physical illness, July 786-790

Substance abuse and mental health status of homeless and domiciled low-income users of a medical clinic, Mar 306-310

PRN medication (letter), May 567

## Prisons, jails

Britain blazing a well-worn trail (taking issue), Mar 239. Also see Britain's path (letter, reply), Oct 1145-1146

HIV positivity in inmates (letter), Oct 1143

Substance abuse and psychiatric disorders in prison inmates, Oct 1132-1134

Supreme Court rules mentally ill prison inmates may be involuntarily medicated, May 572

Washington v Harper: prisoners' rights to refuse antipsychotic medication (law & psychiatry), July 731-732

## Prospective payment system

Hospitalization for psychiatric illness under Medicare, 1985, Jan 51-58

## Psychiatric nursing

Psychiatrist-nurse relationships: professional glasnost? (taking issue), Jan 5. Also see Physician-nurse issues (letter, reply), June 679

Psychiatrists. Also see Internship and residency

Critical factors in the professional development of the psychiatrist-administrator, Jan 71-74

Gender differences among psychiatrist-ad-

ministrators, July 801-803

Highlights of the 41st Institute on Hospital and Community Psychiatry, Jan 19-24

Preferred management styles among psychiatrist-administrators, Mar 321-323

Psychiatric malpractice and supervision issues in community mental health programs, Dec 1350-1353

The staff psychiatrist and the Joint Commission survey, Apr 412-415

Taking psychiatric training back to the future (taking issue), Dec 1289

## Psychoeducation

Helping immigrant families (letter), June 679-680

Predictors of relatives' attendance at a state hospital workshop on schizophrenia, Jan 67-70

Psychoeducational training for mental health workers (ideas), Apr 478

## Psychology

Effective evaluation of memory in older persons (psychology update), Jan 9-10, 16

Recent advances in prevention of psychological disorders (psychology update), July 735-736

## Psychotherapy, group

Group psychotherapy with older people (practical geriatrics), Nov 1189, 1191

## Psychotropic drugs, drug therapy, side effects. Also see Clozapine

Alleviating constipation (letter), Nov 1262

APA issues model guidelines for states on managing patients who refuse medication, Apr 465-466

Benzodiazepine overuse not supported by data, but newer drugs pose risks, APA study finds, Apr 464-465

Clinical notes on clozapine, Aug 890-891

Clomipramine approved by FDA for treatment of patients with obsessive-compulsive disorder, Mar 342-343

Clozapine: benefits and risks (psychopharmacology), Apr 379-380

Disulfiram in the treatment of alcoholic patients with schizophrenia (psychopharmacology), Feb 133-134

Drug interaction (letter), July 806-807

Family response to improvement by a relative with schizophrenia, Aug 898-901

A forgotten antipsychotic (letter), Nov 1261-1262

From noncompliance to collaboration in the treatment of schizophrenia, Nov 1203-1211

Highlights of the 41st Institute on Hospital and Community Psychiatry, Jan 19-24

Lorazepam in the treatment of acute conversion disorder (unusual case report), Nov 1255-1257

Medication compliance and substance abuse among schizophrenic patients, Dec 1345-1348

Medication management (letter), Jan 96-97. Also see Medication management (letter, reply), Oct 1145-1146

The myriad medication mistakes in psychiatry: a consumer's view, Sept 993-998

Notes from a state mental health directors' meeting on clozapine (psychopharmacol-

ogy), Aug 838-839, 842

Patients' and caregivers' adaptation to improvement in schizophrenia, May 541-544

Pimozide and tricyclics (letter, reply), Apr 454

PRN medication (letter), May 567

Psychiatric side effects of tricyclic antidepressants, Jan 84-86

Sexual side effects of antipsychotic medication: evaluation and interventions, Nov 1138-1241

Supreme Court rules mentally ill prison inmates may be involuntarily medicated, May 572

Switching patients from alprazolam to clonazepam (psychopharmacology) Dec 1302, 1305

Use of benzodiazepines (letter, reply), Mar 334

Use of lorazepam for increased anxiety after neuroleptic dose reduction, Feb 197-198

Use of psychostimulants for the elderly, Dec 1330-1333

Washington v Harper: prisoners' rights to refuse antipsychotic medication (law & psychiatry), July 731-732

Who should perform the AIMS examination? Aug 912-915. Also see The AIMS examination (letters, reply), Dec 1359-1360

## Public opinion

Kentucky survey measures attitudes about mental illness, Mar 343

Mental illness remains a source of stigma, national survey of public attitudes finds, July 819

Offensive images: managing aggression isn't pretty (taking issue), Apr 357

## Public policy

Access to care: clozapine in the public sector, Aug 870-874

Clozapine: problems for the public sector (taking issue), Aug 837. Also see Monitoring clozapine (letter, reply), Dec 1356-1357

Congressional study finds dramatic increase in out-of-home placements for troubled children, Oct 1152-1153

The drug dilemma (letter), Aug 929

Economic barriers to widespread implementation of model programs for the seriously mentally ill, May 526-531. Also see Financial barriers to care (letter, reply), Nov 1157-1158

Estimating clozapine's cost to the nation, Aug 863-869

FDA's position on the Clozaril Patient Management System, Aug 876-877

Federal task force on youth suicide calls for more data on risk factors, improved prevention, Jan 104-105

Legislation would free Medicaid-funded drugs from required services, Aug 901

NCCMHC members identify new services for children as top public policy goal in 1990, Oct 1153

Notes from a state mental health directors' meeting on clozapine (psychopharmacology), Aug 838-839, 842

Putting mental health on the nation's health agenda (NIMH report), Feb 131-132, 134

Recent legislative and court activities relating to the SSI and SSDI programs for the mentally ill, May 560-562

The harmfulness tax: a new approach to drug control (taking issue), May 483  
The missed opportunities of Medicaid (economic grand rounds), Feb 135-138

**Quality assurance, quality of care.** Also see Managed care programs

Developing practice parameters: an interview with John McIntyre, Oct 1103-1105  
The staff psychiatrist and the Joint Commission survey, Apr 412-415  
Utilization management and the quality of care, Oct 1099-1102  
Vermont ranks first in quality of public care for seriously mentally ill persons; Hawaii is last, Nov 1272-1273

**Rehabilitation, vocational, psychosocial**  
Hiring former patients (letter), Mar 332-333  
A model for successful job placement of residents in small board-and-care facilities, Oct 1138-1139  
A varied day program for homeless people (ideas), Sept 1046

#### Research, research design

An analysis of methodology in follow-up studies of adult inpatient psychiatric treatment, Dec 1315-1321  
Characteristics of patients selected for treatment on a schizophrenia research unit, Apr 441-443  
Developmental issues in social work research (social work update), May 501-502  
Design for the national evaluation of the Robert Wood Johnson Foundation program on chronic mental illness, Nov 1217-1221  
Improving the validity of measures of patient satisfaction with psychiatric care and treatment, Sept 998-1001  
Medication management (letter, reply), Oct 1145-1146  
New directions in research on assertive community treatment, June 642-647  
Psychiatric ward incidents (letter, reply), Sept 1024-1025  
Reducing staff injuries (letter, reply), Oct 1141-1142

#### Residential facilities

Characteristics of sheltered care facility operators in California in 1973 and 1985, Nov 1245-1248  
Development and validation of a level-of-care instrument for predicting residential placement, Apr 407-412  
18,000 retarded in nursing homes need alternative placement, Dec 1367-1368  
Group homes and crime (letter), Sept 1028  
A model for successful job placement of residents in small board-and-care facilities, Oct 1138-1139  
Promoting family involvement in community residences for chronic mentally ill persons, June 668-670  
Quality of the residential environment in board-and-care homes for mentally and developmentally disabled persons, Mar 314-318  
A supported independent living program for youth, Aug 924-927

#### Restraint, physical

Offensive images: managing aggression isn't

pretty (taking issue), Apr 357  
Precipitants of violence in a psychiatric inpatient setting, July 776-780  
Use of seclusion and restraint in public psychiatric hospitals: patient characteristics and facility effects, Jan 75-81

#### Resuscitation

Do-not-resuscitate decisions on a psychiatric unit, Mar 319-321  
A process for do-not-resuscitate decisions in psychiatric hospitals, Oct 1136-1137

**Review, concurrent, peer, prospective.** See Managed care programs; and Utilization review

#### Reviewers, appreciation to

Appreciation to reviewers, Dec 1306-1311

Disease and dysfunction: the value of axis V (occupational therapy update), Aug 959-960, 964

Effective evaluation of memory in older persons (psychology update), Jan 9-10, 16

Implications of managed care for social work in psychiatric hospitals (social work update), Oct 1063-1064

Multicultural mental health liaison workers (ideas), Sept 1046

Patient aggression against clinical and non-clinical staff in a VA medical center, Feb 195-196

The patient as expert (letter, reply), May 564-565

Patient-therapist sex (letter), Nov 1260-1261

Preferred management styles among psychiatrist-administrators, Mar 321-323

Principles of professional and family collaboration, Dec 1353-1355

Promoting family involvement in community residences for chronic mentally ill persons, June 668-670

Psychiatric malpractice and supervision issues in community mental health programs, Dec 1350-1353

Psychiatrist-nurse relationships: professional glasnost? (taking issue), Jan 5. Also see Physician-nurse issues (letter, reply), June 679

Recent advances in prevention of psychological disorders (psychology update), July 735-736

Self-help groups for former patients: relations with mental health professionals, Apr 401-407

Sensitizing mental hygiene therapy aides to

the needs of patients' relatives, Sept 1013-1015

Sociological investigations of mental illness: a review, Aug 902-911

Staffing of adult psychiatric inpatient facilities, May 545-549

Staffing of forensic inpatient services in the United States, Feb 172-174

Statutes regulating patient-therapist sex (law & psychiatry), Jan 15-16

Survey shows widening gap between medical executive salaries in community agencies, May 574

Team use of the Global Assessment Scale for inpatient planning and evaluation, Apr 416-419

Who should perform the AIMS examination? Aug 912-915. Also see The AIMS examination (letters, reply), Dec 1359-1360

#### Stress

Hospital stress (letter), June 678-679

Sources of patients' stress (letter), Mar 332

#### Stress disorders, posttraumatic

Emergence of an alternate personality in combat-related posttraumatic stress disorder, May 554-556

Opiate withdrawal presenting as post-traumatic stress disorder, June 666-667

PTSD in the retarded (letter), Jan 97

Treating the effects of trauma among

Southeast Asian refugees, Oct 1124-1125

#### Substance abuse, treatment. Also see Alcohol abuse, treatment; and Dual diagnosis

Benzodiazepine overuse not supported by data, but newer drugs pose risks, APA study finds, Apr 464-465

Characteristics of psychiatric emergency room patients with alcohol- or drug-induced disorders, Dec 1342-1344

Cocaine and polysubstance abuse by psychiatric inpatients, Nov 1251-1253

Discrepancy in HMO data (letter, reply), Apr 456

The drug dilemma (letter), Aug 929

Establishing a smoke-free inpatient unit: is it feasible? (alcohol & drug abuse), Dec 1303-1305

The harmfulness tax: a new approach to drug control (taking issue), May 483

Highlights of the 41st Institute on Hospital and Community Psychiatry, Jan 19-24

HIV seropositivity in inner-city alcoholics (alcohol & drug abuse), Mar 248-249, 254

Inpatient care of the substance-abusing patient with a concomitant eating disorder, Jan 59-63

Opiate withdrawal presenting as post-traumatic stress disorder, June 666-667

Predicting length of hospital stay for psychiatric inpatients, Feb 149-154

Pregnant substance abusers lack care, Oct 1152

Screening for substance abuse in hospitalized psychiatric patients, July 795-797

Study recommends tougher standards for methadone use, July 819-820

Substance abuse and mental health status of homeless and domiciled low-income users of a medical clinic, Mar 306-310

An update on selected organic mental syndromes, Mar 290-300

#### **Suicide, suicide attempts**

Early dementia as a risk factor for suicide, June 676-678

Federal task force on youth suicide calls for more data on risk factors, improved prevention, Jan 104-105

Inpatient suicide epidemics and suggestions for prevention, Aug 922-924

Suicide among adolescents with mentally ill parents, Aug 921-922

Suicide and cancer in late life, Dec 1334-1339

#### **Therapeutic community**

Violence and the unstructured psychiatric milieu, July 721

#### **Treatment refusal**

APA issues model guidelines for states on managing patients who refuse medication, Apr 465-466

Psychiatric evaluation of competency in physically ill patients who refuse treatment, Oct 1140-1141

Supreme Court rules mentally ill prison inmates may be involuntarily medicated, May 572

Washington v Harper: prisoners' rights to refuse antipsychotic medication (law & psychiatry), July 731-732

#### **US Alcohol, Drug Abuse, and Mental Health Administration**

Panic disorder (NIMH report), June 621-623

President Bush seeks 8 percent increase in 1991 ADAMHA funds, Apr 466-467

Putting mental health on the nation's health agenda (NIMH report), Feb 131-132, 134

Rapid growth of private psychiatric hospitals

in mid-1980s described in a report from NIMH, Sept 1036-1037

Report details changes in mental health service settings between 1955 and 1986, Dec 1366-1367

Sleep disorders of older people: report of a consensus conference (practical geriatrics), July 743-744

Utilization review. Also see Managed care programs

Private psychiatric hospitals report wide dissatisfaction with managed care review, Aug 938, 941

Study finds external review of medical care has uncertain impact; more research needed, Mar 341-342

Utilization review: a house divided (law & psychiatry), Apr 367-368

Utilization review: theory, practice, and issues, May 531-536

#### **Veterans**

Case management for mentally ill veterans (ideas), Apr 478

Neuropsychological testing of homeless mentally ill veterans, June 672-674

#### **Violence, aggression**

Can prediction of violence among psychiatric inpatients be improved? July 771-775

Characteristics of perpetrators of family and nonfamily assaults, Feb 191-193

Characteristics of repeatedly assaultive psychiatric inpatients, Oct 1112-1115

Compliance with training in managing assaultive behavior and injuries from inpatient violence, May 558-560. Also see Reducing staff injuries (letter, reply), Oct 1141-1142

Data-based interventions to reduce assaults

by geriatric inpatients, Apr 447-449

Offensive images: managing aggression isn't pretty (taking issue), Apr 357

Patient aggression against clinical and non-clinical staff in a VA medical center, Feb 195-196

Precipitants of violence in a psychiatric inpatient setting, July 776-780

Psychiatric ward incidents (letter, reply), Sept 1024-1025

The relationship between admission symptoms and hospital assaults, Mar 311-313

Use of seclusion and restraint in public psychiatric hospitals: patient characteristics and facility effects, Jan 75-81

Violence and psychiatric disorder in the community: evidence from the epidemiologic catchment area surveys, July 761-770

Violence and the unstructured psychiatric milieu, July 721

Violence: probability versus prediction (taking issue), Feb 117

#### **Women**

Hospitalized pregnant psychotic women: characteristics and treatment issues, Feb 159-163. Also see Pregnant psychotic women (letter, reply), Nov 1258-1259

Housing homeless women: a consumer preference study, July 790-794

Knowledge about AIDS among women psychiatric outpatients, Mar 326-328

Perspectives on homeless mentally ill women (the chronic patient), Mar 253-254

Pregnant substance abusers lack care, Oct 1152

Premenstrual changes and psychopathology among psychiatric inpatients, Jan 86-88

Psychotic denial of pregnancy: phenomenology and clinical management, Nov 1233-1237
